FUN OF THE FARE!

Dear *Mayfair*,

I've been a cabbie for around seven years now and, having been a painter and decorator before, I genuinely love my job. I enjoy chatting to people, meeting folks from all walks of life and I like the fact that I never get the same fare twice - in other words, I rarely have a boring day.

I try to be the least annoying cab driver I can be, which sounds an obvious thing to do, but believe it or not, some of my colleagues deliberately try to wind their customers up by smoking, talking relentlessly or even flirting outrageously. I may be a bit of a chatterbox occasionally - especially if it's a slow day and I'm starved of decent conversation - but I'm a non-smoker and being flirtatious certainly isn't me. I'd hate to think of my fare as feeling uncomfortable and, in fact, I've never actually pulled a customer. Not once. Well, up until a month ago, anyway!

I picked up a couple of girls from a club in town and was asked to drop them at different addresses in the same suburb. That's not an unusual thing on a Saturday night and I don't mind in the slightest - I see it as my job to make sure my clients get safely home in one piece, especially the young females. It can be a dangerous world out there.

One of the girls was obviously more worse for wear than her mate, so we headed to her place first. I pulled up outside, turned the engine off and hopped out to open the door for her. As I did, she practically fell out, she was so inebriated, so I slipped one arm around her and helped her to her front door. Her mate fished around in her bag for her keys and opened the front door, then took over supporting her into the house as I went and sat back in the cab.

A few moments later the second, more sober, girl came back to the car, and I was surprised that she jumped into the front passenger seat, rather than the back. I don't think that's ever happened before! She introduced herself as Amelia and thanked me for helping her friend to her door. We got chatting immediately and I got the distinct impression she was flirting with me!

This feeling was confirmed within a minute, or so, when Amelia hiked her already short skirt up, to give me a flash of her tiny knickers! I felt myself blushing - I certainly wasn't used to such forward women - and the blood flow instantly to my cock. Keeping

AMARNA ROLL!

Dear *Mayfair*,

Any issue which features Bexie Williams (stunning cover shot, btw!), Holly Gibbons and Spencer Scott is bound to be a winner in my book, so 51.09 was a sheer joy from start to finish. However, the real star turn for me had to be the gorgeous Amarna, who seems to be thoroughly enjoying every moment undressing for the camera - including what appears to be a mid-session wank! The photograph on page 62 shows her bending over, red hair tumbling, and pulling her knickers to one side to show off her delicious bumhole and exquisite fanny, with an expression that seems to say, "What do you think of this then, lads? Come on, get stuck in!" has to be one of the horniest shots ever to have appeared in *Mayfair*! Can we please have more of Amarna and her delectable fanny?

I also enjoyed the photos of smiley debutante Bailey, who certainly knows how to spread her legs for your readers. This mixture of exciting new talent and established stars is what makes *Mayfair* the excellent publication it is!

Brian, Stockport.

Thanks Brian - we were rather taken with Amarna as well!

We'll do what we can to get her back before long, have no fears! - Ed.

my eyes on the road was more than a little difficult, but despite the distraction I managed to navigate my way to her street. "So," Amelia said, huskily, "I can pay

to straddle me in the driver's seat, grinding her crotch into my hardening dick. I held her hips and thrust upwards, desperate to stick my cock inside her. She must have read my

you now, or we could go somewhere and have some fun..."

I was again taken aback and looked at the sexy minx in my passenger seat. "You're the customer," I replied, "What would you like to do?"

"I know a place we could park up," came the answer, "Let's go there!"

I started the engine back up and followed her directions, finally pulling into a dark car park.

No sooner had I cut the engine, than she leaned over, grabbed my face in her hand and placed a smacker on my lips. I kissed her back, pushing my tongue inside her mouth and feeling up her big tits through her skimpy top.

She then surprised me by lifting herself up and swinging her leg over

OH NATURAL!

Dear Mayfair,

Having been a purchaser of PRP magazines for longer than I'd care to admit, I have recently been reflecting on the declining standards of the models you feature, overall. Where are the modern day equivalents of the names of yesteryear, who would always be guaranteed to increase pulse rates? I'm referring to girls like Kirsten Imrie, Adele Stephens, Charmaine Sinclair, or, more recently, Isis Taylor. Nowadays only girls like Emma Green and Holly Gibbons serve as a reminder of your glory days. It's all too obvious that far too many of the current crop of models have figures which owe much to cosmetic surgery and not enough to good old mother nature. How very typical of Britain in the 21st Century. Of course we now come to the obvious question – will you dare to publish this letter, or is that honour only accorded to the letters which tell you how wonderful you are? Now there's a challenge for you – although not as great a challenge as finding the true glamour models of today and tomorrow.

Paul, Bedfordshire.

PS: Having just bought 51.09, and not withstanding all of the above, I would confirm that Holly Gibbons more than justifies her centre-spot! I hope we'll be seeing Emma Green again before long. Thanks for your letter Paul – yes, we have printed it! I understand that you're clearly a fan of the natural boobs, and that's fair enough. We try to cater to all tastes at *Mayfair*, and perhaps you're right – girls with natural boobs do seem to be thinner on the ground these days, although yes, Emma and Holly are still flying the flag. Yes, we do live in 21st Century Britain and there's not much we can do about that, but we'll put our feelers out and see what we can do!

mind as she reached down and pulled her tiny knickers to one side, exposing her hairless cunt, making me breathe harder and faster, before unzipping my fly and pulling my rock hard member out. She gave me a quick tug, her soft hand wrapping around my shaft and wanking me a few times, before feeding me inside her tight twat.

I gasped, lolling my head back on the headrest as this vixen started bouncing up and down on my tool. I grabbed her arsecheeks, groping them as they flew up and down, Amelia pleasuring herself as she fucked away at me. Lifting her top up to reveal her gorgeous titties, she pushed them in my face and I latched onto one with my mouth, tonguing her nipple and sucking hard. This obviously did it for her, as she grabbed my head and pulled it hard towards her, smothering my face with her round breast.

Grabbing her hips, I thrust up into her faster and harder, banging inside her snatch until my cock was throbbing and my balls ached to release the jizz inside them. Although I didn't want to come so soon, it was an involuntary reaction to this sexy bird on top of me and I grunted loudly as I shot my load deep within the confines of her twat.

Realising what had just happened, she stopped bouncing and ground her hips down, expertly milking my nuts dry as she pulled her boob away and kissed my mouth once more. I thought I'd blown it, as she pulled herself off and clambered back into the passenger seat, but she smiled and said, "I believe you owe me an orgasm!"

Grabbing my hand, she placed it underneath her crotch, so my

fingers were level with her sloppy slit, and held it there as she told me to finger her. I dipped one inside up to the knuckle, spreading her lips with the rest and she happily settled back into the seat. Realising that one digit wouldn't suffice, I pulled it out and replaced it with three, enjoying the way she moaned as I roughly shoved them into her soaking pussy and instantly began fucking her with them. Moving her hips in time to my rhythm, her groans got louder and I thought she might be close to her climax. Just to make sure, however, I leant over the centre console and stuck my tongue out, trying to make contact with her clit. I couldn't quite reach, so Amelia bucked her hips up into the air, allowing me to not only lick her little swollen nub, but also sink it into her hole when I pulled my fingers out momentarily.

This seemed to please her, and she held my head in place, tongue crammed inside her pink wetness, as she frigged herself to orgasm. Her moans turned to shrieks and I was glad we were in a deserted place, still not quite believing that it was happening, but enjoying every single second of it.

But, as soon as she had orgasmed, she straightened her clothes and put her seatbelt on – a sure sign that our fun was over. Maybe I should have been slightly more forward, as I was dying to get my dick sucked, but instead, I tucked it back into my jeans and started the engine.

For a few weeks, I hoped that I'd pick Amelia up again, but it never happened. I figure she was just horny and I was in the right place at the right time. But what a place to be in!

Robbie, Portsmouth.

NEIGHBOURHOOD WATCH...

Dear Mayfair,

I've never really considered myself a voyeur before now, apart from watching the occasional porn film, but since the new people moved into the house over the road, your readers might just disagree!

I live on a street of smart detached houses in town and folk round here tend to keep themselves to themselves. I'd noticed the removal van earlier in the week but had thought no more about my new neighbours until a few nights later when I was going to

curtains, but my eyes were drawn to the large bedroom window upstairs.

Standing in the brightly lit room, in full view, was a woman with long dark hair, and she appeared to be slowly unbuttoning her top.

Maybe I was mistaken as the street is quite wide and I couldn't see that clearly, but there was only one way to find out!

I ran downstairs and got my binoculars from the cupboard before returning to the bedroom and switching off the light. Resting my elbows on the windowsill, I focused the binoculars on the neighbour's window and got the shock of my life. She had definitely been unbuttoning her blouse, as she was now standing there in just a black lacy bra. She was about 25 years old and gorgeous,

wrapped in her fancy lingerie, and tried to see what she had on below her waist.

Unfortunately, she was standing too close to the windowsill but I could clearly see the bed behind her and hoped she would move away from the window. Raising my view back to her tits, my cock throbbed to attention as I watched her push the material clear and cup them in her hands. I checked her face again and she was definitely staring in my direction and was even smiling.

Realising this display was for my benefit, I undid my trousers and took out my rigid prick as I peered at her mauling her knockers. She slowly moved backwards and I could see the top of her garter belt, then her suspenders and then her shaven pussy and the top of her black stockings. I began to wank as she slid one hand lazily down her body and in between her legs. She spread the lips of her twat slightly with two fingers and inserted another slowly into her pink glistening cunt. I had to stop and frantically wipe the binoculars at this point as I'd steamed up the lenses with my panting. Focusing again on the object of my lust across the street, I saw she had now raised one stilettoed foot onto the bed and was rubbing her pussy hard while squeezing the nipple of one large breast between her finger and thumb. She was still smiling in my direction and my cock was throbbing as I indulged in my guilty pleasure.

Still fingering her hole, she clambered onto the bed, her arse thrust deliciously in the air, those lovely tits now swaying beneath her as she jerked herself off. I was just about to come when she suddenly pulled her finger from her slit and fell back onto the bed, spreading her long shapely, stocking clad legs as she did so. I paused, dick in hand, as she reached into a drawer beside her bed and pulled out a flesh coloured dildo.

A quick look at her pretty face showed her licking and sucking the cunt juice off her fingers, her eyes tightly shut in ecstasy as she manoeuvred the sex toy towards the entrance of her pussy. Leaning back, she lifted her legs high in the air and pushed the fake cock inside her twat. Fuck, she must have got about seven inches up her before she slowly pulled it out again. My binoculars were so good I could actually see the sticky cunt come glistening on the shaft and, as she began to pump the thing in and out of her hole, I shot my load all over my hand and the carpet.

After a few moments, I once again peered over towards her house but the curtains were now drawn and the entertainment was over for the night.

Luckily for me, my new neighbour's slutty performance was not an isolated display and I have spent a good few evenings watching her act the tart for myself, and probably others. She has even fucked her boyfriend or husband with the curtains open and the light on since that first show, and I can't wait until it gets dark to see if I'm in for another voyeuristic treat. I think it's time to splash out on stronger binoculars, in more ways than one!

Jake, Haversham.

BOLD BAILEY!

**Dear Mayfair,**

I had to write in praise of Bailey, who's appeared in your latest issue. You've certainly found a great model there, with some lovely naked shots and delectable open leg pics. Most of all she looks so happy throughout, with a lovely smile which suggests that she's delighted to be showing off her charms like that. You must get her back soon, if you can! And Holly just gets better each time I see her, with her blue eyes and stunning figure! No wonder I can't stop buying your magazine each month!

bed. The street is tree-lined, which adds to the privacy, but you can obviously see in the windows of the buildings opposite when they turn the lights on at night. Usually, folk round here are pretty quick to close the

with long black hair that cascaded over her naked shoulders. She seemed to be looking directly at me but surely couldn't see me in my darkened room. My heart beat faster as I stared at her big breasts, beautifully

After a stonking lingerie clad opener from MF greenhorn Jada, what better way to follow up than with an equally classy set of one of our all time favourite babes of recent times, the delectable Zara Mae? And is it us, or is she looking a bit more bronzed than of late?

A group of fathers are sitting around talking about their teenage daughters. One dad says, "I think my 16 year old is smoking; I found a empty cigarette pack under her bed."

All the other fathers groan in unison, "Oh no!"

Then a second dad says, "That's nothing. I found an empty bottle of

"Jesus Christ!"

The third father replies, "Yeah, tell me about it. I didn't know she had a dick!"

Two friends die. One goes to Heaven and the other goes to Hell. The one that goes to Heaven begs the angel to let him visit his

friend in Hell, and the angel agrees. He gets to Hell and sees his friend surrounded by beautiful women and alcohol everywhere. He says to his friend, "Wow, you were a son of a bitch when we were alive! Hell looks better than Heaven."

So the friend in Hell says, "Pour yourself a glass of wine." The heavenly friend pours the wine, and notices that the glass has no bottom.

The good friend looks at the bad one in confusion, and the bad friend says, "The glass has no bottom, and neither do the girls. Welcome to Hell."

Dylan is practicing his golf swing in his garden

when he swings a little too hard and sends the ball through a neighbour's window. He runs over and rings the doorbell. After no one answers he opens the door to see broken glass everywhere, a lamp lying on the ground, and a huge fat Arabian man wearing a turban sitting on the couch.

Dylan asks, "Who are you?"

The fat man replies, "I am a genie you have freed from that lamp."

Astonished, Dylan asks, "Oh man, do I get three wishes?"

The genie replies, "Since you freed me by accident you only get two and I get one."

Dylan thinks about it and realises what he wanted, "I want to be the best golfer ever!"

Q. What did the cannibal do after he dumped his girlfriend?

A. Wipe his arse.

The surprised genie says, "You sure? Most people wish for money, but OK. Now your wife gets one wish."

Dylan brings over his wife who wishes right away, "I want a million dollars every week of my life."

The genie says, "Granted. And now for my wish, I have been cramped up in that lamp for many years so its been a while since I've been with a woman. I want one day of wild, crazy sex with your wife, Dylan."

Dylan says, "No way!"

The genie replies, "Not even for a million pounds a week?"

Dylan turns to his wife, who says, "I guess for all that, I should. Well, not until Dylan leaves."

Dylan says, "OK, have fun, I guess," and leaves. Dylan's wife then proceeds to have wild sex for the rest of the day with the genie. When they are finished, the genie puts his baggy trousers back on and asks how old she and her husband are.

"Thirty-two," she replies.

The Genie laughs and says, "aren't you a little old to be believing in genies?"

Q. Why is being in the army like a blow-job?

A. The closer you get to discharge, the better it gets.

My hot lesbian neighbours gave me a Rolex for my birthday. It's nice, but I think they misunderstood me when I said, "I really wanna watch."

We all know that this nation needs to export more if we're going to balance the books, although sadly commodities like steel seem to be beyond us these days. Thankfully we've got another asset up our sleeves that those foreigners can't get enough of – hot babes like Ava Dalush! Just recently she headed over to the states to see if she could make a go of modelling over there and, well, she could! Admittedly buying the pictures back sets the balance of trade back to square one again, but hey – who cares about that?

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I had been going to the same launderette for a few weeks in January of this year as my washing machine had died on me and I couldn't afford to replace it until payday, and it hadn't escaped my notice that the cutest guy I'd seen in a while worked there. We'd exchanged numerous smiles and the occasional hello, but I got the feeling that he

As I expected, the guy (whose name turned out to be Guy!) seemed anxious to knock off, and started whizzing the broom around the place before shutting up for the night. When he got to where I was sitting, he grinned and asked if I would lift up my legs so that he could get to the sweet packets and crap underneath the seat. I did, and boy, did he get the surprise of his life. Before I had left work

that evening, I had taken my knickers off - so when I lifted my legs, I intentionally parted them so that he got a good look at my totally shaved pussy. The look on his face was priceless, and as his eyes drifted from between my legs up to my eyes, I simply asked, "Well?"

He said nothing, but turned, walked towards the door, flipped the sign to 'closed', and locked up. Walking past me to the back of the launderette, he ran his hand across the top of my head and said, "Follow me."

Internally high-fiving myself at my plan working, I obliged and

followed his lead. The bulge in his trousers told me that I'd hit the cock-jackpot, and I couldn't wait to get my hands on it. As he passed the light-switch, though, he flicked it off and disappeared out the back. "Hey!" I shouted, "I can't see a fucking thing in here!"

Guy laughed, before replying, "Well I've got some 'thing' here for you, so hurry up and get your arse in here."

As I made my way through the darkness I banged my legs on a chair, making me cry out. "You okay?" he asked, and, still reeling a bit from the shock, I looked up to get an even bigger one, in every sense of the word! There he was, standing in the doorway stroking the biggest hard-on I'd ever clapped eyes on - and let me tell you, I've seen my fair share of cocks in my time! Suddenly, my thoughts weren't on the pain in my leg, but well and truly focused on his gorgeous, throbbing meat.

"Shit!" I exclaimed, in spite of myself.

"You've got a lovely dick!"

He chuckled and beckoned me over, waving his tool at me. I wasted absolutely no time and was soon on my knees in front of him, his dick deep down my throat as I guzzled on the fat, meaty shaft. I could feel his hugeness pulsing and throbbing violently as I started applying more sucking action, slowly sliding my head on and off - though never quite completely off it. Every time his cock was about to pop out from between my

"AFTER A FEW QUICK STROKES I PULLED MY FINGER FROM MY PUSSY AND STUCK IT IN HIS MOUTH."

lips, I gently nipped at the huge bell-end with my teeth, causing him to purr like a cat that got the cream.

"Squeeze my balls," Guy told me. And as I did, I took his whole length way down my throat, just as he unleashed his load. I gagged and spluttered as what felt like ten litres of cock cream splatter the back of my throat, filled my mouth, and started trickling out from between my lips. I pulled away, opening my mouth to show him how full it was with his spunk then, with one almighty gulp, swallowed the whole fucking lot of it down.

"Hmm, delicious," I said sexily, before sliding a finger between my spunk-splattered lips, sucking on it, and pushing it inside my sticky slit. After a few quick in and out strokes, I pulled my digit from my pussy and stuck it in his mouth. He sucked it and grinned naughtily at me.

Glancing down, I realised Guy's cock wasn't showing the slightest sign of going limp on me. I acted quickly before that changed, emptying out a basket of freshly service-

washed linen onto the floor and got on all fours, reaching behind me to splay my fanny lips and told him to get stuck in. He didn't need asking twice and, faster than a rat up a drainpipe, he was on me, stretching my snatch wider than it had ever been. I wasn't sure that I was going to be able to take his cock to the hilt, but the pre-fuck sucking I gave him got my pussy so juiced-up it

was shy and it would take drastic action on my part to get together with him.

So, the week before my new machine was due to be delivered, I took the bull by the horns and planned my attack! I timed my visit so it was about 40 minutes before the place closed - just long enough to get my load washed, but ensuring that I would be the last customer in there at the end of the day.

swallowed it no problem.

At first Guy's strokes were slow and gentle. We moaned in unison with utter lust. This was the fuck of my life. But while I wished it would never end, it dawned on me that having such a massive tool servicing my cock-craving cunt, there would be no way I was going to be able to hold out from climaxing for long. And, as soon as the thought entered my head I felt it rising within me.

"Fuck me harder!" I screamed, "I'm nearly there – I want you to come with me!"

Guy did as I said and pile-driven his prick in and out of my juice-dribbling hole. "Yes!" I howled. "Harder you bastard! Harder! Harder!"

Then it kicked in, the waves of euphoria bubbling beneath the surface. I started slapping the palms of my hands on the floor, my cunt and arse quaking, I felt like a human volcano about to erupt! Then it hit me. "Now!" I yelled. "I'm coming now!"

He began hammering into me with wild abandon, and then with one final cunt-cramming lunge, he collapsed on top of me, unleashing jet after jet of spunk inside, to mingle with my fanny-honey.

It was the first time I'd been so forward with a man – and, to be honest, it'll probably be the last. Especially as Guy and I have been seeing each other since. And yes, I still nip into the launderette just before he closes up, to re-enact our first night of passion. Although we've since done it all over the shop, my favourite place to fuck being on one of the washing machines – while it's on the spin cycle, of course!

"HE TOOK AGES TONGUING EVERY INCH OF MY SNATCH, LAPPING UP THE JUICES, BUT ONLY GOING NEAR MY CLIT WHEN I GROANED..."

I've just back from a holiday with a group of friends just outside Bude in Cornwall. As usual, we rented a holiday home so we could come and go as we pleased, and on our last night, everyone clubbed together to buy enough booze for an all-night party, for ourselves and any friends we'd made during the fortnight we were down there.

Halfway through the evening, we drunkenly decided we were going to go skinny-dipping off the beach when the sun came up. I like my body, but I didn't feel like I could compete with some of the big-titted, curvier girls there. I started feeling a little paranoid about the whole naked thing, but then I had an idea.

I locked myself in the upstairs bathroom, nicked a big handful of one of the boys' shaving foam and worked it into my long pubes. Every last one of them was coming off.

Once I'd rinsed off all the excess soap and hair shavings, my twat felt so sensitive. The bathroom window was open, and I felt a cool breeze blow in. And when I touched it, it felt so gorgeously smooth.

I couldn't help myself stroking my velvety softness, and pretty soon it had the obvious effect. My pussy began to juice up, filling my slit with sticky wetness and it was like my clit inflated, poking out from between my paler labia. And, because I'd been sunbathing in my skimpy bikini, I was brown all over, apart from a really pale triangle – even if it didn't quite glow in the dark, it definitely drew your eyes.

As the sky started to get light, we all ran, laughing and whooping down to the little stone pier, leading off the beach. The tide was completely in so we knew the water was deep enough to have a swim. I bided my time, letting Pippa, one of the big-boobed girls lift her top up and shake them at the lads, before most of the girls joined in, screaming with laughter. I think everyone just thought I was shy, not joining in – one of the girls said, "Aww, c'mon, we're all doing it, join in! And you've got a really sexy body – you should show it off!"

I wasn't exactly confident with my body (my tits were still too small!), but I knew

I looked good, with my recent bit of pubic-topiary!

"OK, here goes nothing..." I said, and with that, I pulled my T-shirt off – I wasn't wearing a bra – then slipped my knickers down, feeling a hot surge of juices as I realised most people were watching the 'shy girl', to see how she reacted. I looked around.

Among the other girls, there were mostly neatly trimmed pubes (back like mine had been), a couple of full-on bushes and one Brazilian – I couldn't help thinking that it was a DIY job – but I was the only one with a bald beaver, and I think it was noticed!

One of the girls, a blonde with huge boobs, seemed a bit narked by my attention-seeking, and asked if we were here to swim, or what? Everyone jumped in the water and, as we splashed about, one of the guys, Stu, swam up and asked – still nervous even though he'd obviously had some Dutch courage – could he have a little feel of my pussy, as he'd never actually touched a "shaven haven" before.

I should have said no just to punish him for calling it that! But maybe he was just curious – and if he was coming on to me that was fine by me, as I quite fancied him anyway!

"OK," I told him and his hand moved a bit shakily in between my thighs. At first, he did only touch the outer labia, testing my shaved

bits. But then he started rubbing a bit harder, caressing them, and one of his fingers slipped in between them. As Stu started probing my hole I moved in for a kiss, started fucking my tongue in and out of his mouth to the same rhythm as his finger.

We were well into it by the time someone noticed, but then the wolf-whistle they so kindly did, drew everyone's attention to us. I don't think anyone followed us when we swam to the steps on the other side, but knowing they were close and could probably guess what we were doing, really turned me on.

I told Stu to lick me out, so he poured a bottle of beer over my crotch to rinse off the salt water (apparently), and, of course, it fizzed right up, which felt amazing. Then he began to lick me. The feel of his tongue, coupled with the fizz of the beer felt amazing and it took me a few minutes to get used to

the sensation.

He took ages over tonguing every smooth inch of my snatch, lapping up the juices, but only going near my clit when I groaned in frustration and grabbed him by the hair, trying to move his mouth onto it, or at least close by. He sucked on it, lashing it with his tongue till I climaxed, but all I really wanted was to feel his fat cock wedged right up inside me.

The water had been a bit cold for Stu –

it was splattered all over with pearls of thick, creamy spunk.

Then I saw the second-horniest thing ever. Stu started licking my fanny, tasting his own self, his tongue licking every inch of my twat. I knew he'd soon get hard again, and it happened almost immediately. This time, when Stu fucked me, he lasted for ages, and I just spread myself wide, watching him as he ploughed his shaft in and out of my hole, so much darker and shinier than my delicate

need I say more? – but my hands soon got him big and rock-hard. I think I played with him a bit too enthusiastically – I just kept rubbing him against my clit, till I tossed his load all over it.

No big deal – in fact, I'd never seen anything so sexy in my life. My cute little pussy, all shaved and pale – just a bit darker on the folds from where I'd come, and now

pink flesh.

It's a shame Stu was just a holiday fling who left a couple of days later as he was a bloody good shag, but in his memory I've kept on shaving my pussy, every Friday for the weekend without fail. It makes me feel so sexy – especially when I go out 'commando' – and my pulling power seems to have gone through the roof!

I like to keep myself pretty fit, and I like my men muscular and fit too, especially if he is supple and can give me a good work-out during intercourse.

I'd long had my eye on Dillon, and when my tennis club's yearly tournament came around, I managed to work up the courage to ask him if he would like to partner me in the mixed doubles. To my delight he agreed and we set up a number of practice matches so we would be in sync on the court.

I immediately began planning my outfits for these practice sessions. I love wearing whites, and keep my holiday tan topped up with sun-bed sessions so I can show off my long legs to best advantage. I looked through my collection of dresses and skirts and decided to treat myself to something new and more alluring to catch his attention.

The first evening I arrived at the club in my new tennis dress. It was very short with a bright pink trim, and made of a delectable clingy fabric which showed off all my curves to perfection. Just to add that extra

TIGHTENED ON
HIS COCK, SQUEEZING
HIS SHAFT AS
I CAME.”**

tease, I found the perfect pair of matching panties, with the same shocking pink trim, guaranteed to draw his gaze to the area between my thighs.

We met on court and had a real work-out with another couple whom we knew from the club. They were very competitive and even though this was just a practice match it was fast and furious. Dillon and I played well together and managed to win the match in the end. Dillon played out of his skin, and I couldn't help thinking it was because I'd promised him a little treat if we won. And from the look in his eye, he'd realised exactly what I meant.

It was fairly late and all around us people were finishing matches, or gathering up their gear and leaving the courts. As I bent over to pack my racket I peeped back at Dillon and saw him watching me with interest. I caught his eye and he winked, moved behind me, and slid his hand up my skirt, grabbing an arse cheek and squeezing it sensually. I stood up, turning to him, and found myself being drawn into his arms.

Without loosening his grip on my buttock he kissed me, and I could feel his erection pressing into my belly.

“Tease,” he whispered as he held me against him. His body felt hard against mine and my panties became damp as my excitement made my pussy wet. My nipples ached for his touch and I pressed my body closer to his. It was a very public place but I was desperate to get laid, so I paid no heed to our whereabouts and ground my fanny against him.

Luckily Dillon had more self-control, and still holding my hand he gathered together our two kit-bags and led me towards the car

my throbbing pussy. My eyes closed as he burrowed inside me, filling me with his rigid manhood.

My pussy gripped tightly around his shaft, clenching delightfully as it began to spasm around the thick intruder. Back and forth and side to side he moved his weapon, creating exquisite sensations as the friction brought me close to orgasm.

His size and girth driving into me had me gasping for more, and Dillon certainly had plenty of stamina!

park. Dropping them by his car, he drew me into a small copse at the edge of the car-park. I saw with relief that it screened us from the courts and the club house, and once behind the trees I encouraged him to pull me against him once more.

Suddenly his hands were all over me, making me squirm with pleasure, and as I reached for his zip his hands delved inside my panties. As he slid two fingers inside my wet pussy I managed to lower his shorts and underpants, releasing his cock. It was large and felt heavy in my hands, and my pussy dripped with desire as I began stroking it.

Dillon's fingers slid in and out of my pussy while his thumb circled my clit, making my insides clench as my pussy contracted around them. My fingers tightened on his cock, squeezing his shaft as I came, pressing my face into his chest to stifle my moans. As soon as I had climaxed, I sank to my knees on the grass, and, cupping his balls in one hand, began sucking his cock.

We were still sweaty and hot from our exertions on the court and the manly smell of his perspiring body made me hornier. I opened wide and took his length deep, sucking him as hard as I could until my cheeks hollowed and I could feel his cock-head touch the back of my

throat. It was the first time I'd had sex in a public place, and, while I was nervous, the sheer audacity of it excited me. Spurred on by the whole situation I bobbed my head furiously on his cock, and only let up when I felt he was in danger of coming in my mouth.

Dillon sighed unintentionally in disappointment, and helped me to my feet. He pushed my skirt right up and lowered my panties in one swift move, making me wriggle in delight as I felt the breeze on my naked buttocks. Pushing me up against the trunk of a tree he asked me to put my arms around his neck and wrap my legs around his waist. Supporting my arse-cheeks with his strong hands he slid his big cock inside

With his big cock pounding my pussy I had to use all my experience to extend my pleasure before I finally succumbed to his thrusts. I buried my face in his chest to prevent myself from crying out as I came, and only a second later he pumped his load inside my pussy.

We didn't do all that well in the tournament – we only made it through to the third round – but then we didn't practise much, and neither of us were that upset!

oooooooo

MAYFAIR 59

A blonde woman with long, wavy hair is sitting on a bed, looking down. She is nude and has a navel piercing. She has tattoos on her arms and legs. Another person is lying down in front of her, partially visible. The background shows a room with a lamp and some furniture.

Not one but two of Britain's sauciest blondes together on a bed in front of you – what a perfect way to while away an afternoon when you're feeling in need of a little inspiration! If anything's likely to tickle your blurb-writing muse it's the sight of a couple of busty babes going at it hammer and tongs not six feet away, although frankly there ain't really much you can say about it other than 'Wow!'

MAYFAIR Movies

Walter might be trawling through box sets to bring you the best in international drama, but has he got what takes to sit through a mountain of scruff and pick out the highlights, eh? I think not!

Harmony

OUTLAND: BEYOND THE FAR WEST

CAST: Dahlia Sky, Tiffany Doll, Cathy Heaven, Alexis Crystal, Silvia Rubi.

Think of a word that starts with 'S' and ends with 'punk' that you'd expect from a skin flick? Well, yes, there's there obvious one, but this high budget release from Harmony also boasts another, quite possibly laying claim as it does to the title of the world's first steampunk scruff movie! It's a bold undertaking – the film looks genuinely cinematic (it's even shot in cinemascope, more or less) and features scenes of real emotion in between all the bonking, so you've got to doff your cowboy hats to Directors Bobby Peru and Archibald Witwicky Jr (!!).

Nacho Vidal plays a ruffian who returns to a frontierstown hellbent on revenge, which he sets about wreaking with a couple of killings to get the ball rolling before bunking up with Crystal.

★★★★☆

Editor's PICK

There are plenty more eye-pleasing bonings to follow, including a double dicking for some sort of mud-caked 'native American' Tiffany, and word has it this is the first part of a trilogy, too. Good to see someone out there making ambitious stuff like this these days.

★★★★☆

Sinful XXX

MAKE ME SWEAT

CAST: Anna, Kattie, Blanche, Nathaly.

A lot of your cheaper bongo flicks would like you not to notice that it's pretty well all been shot in the same location – maybe they'll move the sofa around or something in the hope you won't notice – but this release from SinfulXXX (a new studio on me) goes one better and takes the location out of the equation altogether! Well, in effect, because each of the four couple who feature in this film are shot on a completely black and unlit set, which results in no distraction whatsoever from what the protagonists are up to.

Given that the first scene opened not with a look at Anna but at her stud Figi's muscular torso, it's clear that the film's aimed squarely at the couples market, and things certainly proceed in a tasteful and, well romantic fashion. That's not to say there aren't plenty of arousing angles and close-ups, but nasty gonzo it certainly ain't! The other scenes proceed in a similar way – touchy-feely but still decidedly horny, making this flick a worthwhile addition to the couples-friendly canon. Available from your local sex shop.

Wicked Pictures

DIRTY MONEY

CAST: Casey Calvert, Bianca Breeze, Jezebel Vessir, Teanna Trump, Ziggy Star.

Ever wondered what a day in the life of a \$100 bill looks like? I know I have, but I usually conclude it probably spends most of its time sitting in a wallet, or deposited in a bank. Little did I realise that a hundred bucks could see quite so much action in 24 hours as the mute star of this interestingly-themed feature from Wicked. Then again, the money in question does start the day in Porn Valley USA, so he was probably always going to have a bit more fun than your average Country Joe greenback.

Buck, as we perhaps ought to call him, begins his day being withdrawn from an ATM by a chap called Stallion who doesn't waste

much time passing it on to his missus Casey, along with a big dose of loving. Seems like they've got a pretty good relationship, but they still head off to counsellor Bianca in the morning – and she bags the lolly! She then runs into a bent cop who, as well as taking the dough, bangs her on the bonnet of his car! She looks a treat as he pokes away at her, gagging on his knob as he tickles her tonsils before splashing off over and into her wanton gob.

Well, the cop's daughter Ziggy nicks the lolly and, well... on it goes. A novel and nicely shot take on *La Ronde*, with some cracking looking girls and some top sex scenes.

Here's something a little different, for all those foot lovers out there who love nothing more than the sight of a nice set of tootsies and the whiff of a well-worn pair of leather boots! Bit with her puffy shirt, jodhpurs, riding boots and crop, is Brook actually a bit of a horsewoman, or is she just having us on?

"I've ridden a horse a few times – and I can definitely see the appeal! Bouncing up and down on something big, powerful and sweaty certainly has something to be said for it!"

And could we tempt you to something small, puny and sweaty?

OK, we'll admit it – when you find yourself driving down a secluded country lane with the delectable Ree Petra at your side, all dolled up in a transparent body, it doesn't take long before certain thoughts start to creep into your mind. After all, we wouldn't be the highly professional *Mayfair* minions we are if it didn't occur to us that we really ought to get a few pictures taken so we could share them with you lot! She must have known what we had in mind, too, because no sooner had we pulled over than she started to peel off what little clothing she was wearing – although oddly she seemed a little disappointed when we got the camera out...

Madeleine

PHOTOGRAPHED BY ED ALEXANDER

MAYFAIR Classic

Here's a tip. If you are ever stuck in London, phone for a cab. And if you are very lucky, the driver might be 22-year-old Madeleine Ford. For during the week, Madeleine works for a mini cab firm in the city taking both passengers and parcels anywhere requested. And the 36-24-36 stunner has certainly had some odd requests! 'I've taken parts for oil rigs up to Aberdeen,' she told us. 'And I'm constantly being asked by tourists to take them somewhere they can have a good time. When I'm feeling really mischievous I leave them at the Lyons Corner House or somewhere like that. God knows what happens then!' But she is normally well behaved. 'I have the biggest tips in the office,' she laughed.

Seeing so much of London during the week, perhaps it is not surprising that charming Madeleine likes to leave it whenever she can. In fact, she has also started renting a flat on the seafront at Hastings. 'It sounds very grand but in fact it is a lot cheaper than

living in town – and you get the lovely sea air as well.' So Madeleine can often be spotted walking along the front by the *White Rock*, happy to be out of her cab for a while. But she doesn't spend much of her time alone.

MAYFAIR Classic

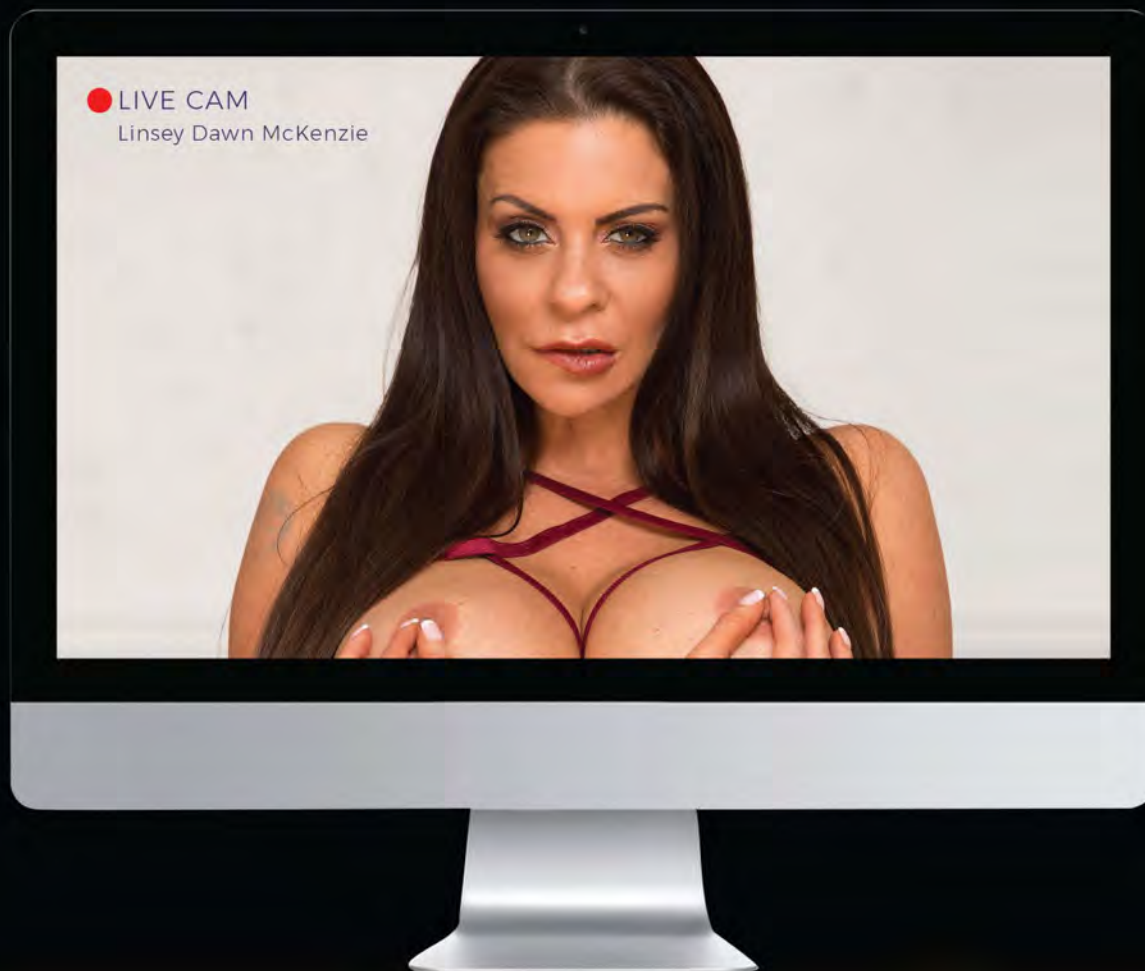

This month we're gazing way back through the mists of time – a full 33 years back, in fact, because this set of Madeleine appeared in volume 18 issue 6. The Cold War was at its height, and a month or two the great Stanislav Petrov averted a nuclear holocaust by ignoring the protocol than was telling him to launch an attack. Phew! Not that we knew about it at the time, mind – we were too busy gazing at Madeleine and hoping we'd get a lift in her cab!

Whenever she gets a Friday evening off, she makes for a club in Hastings called *Sallywags*. 'They have theme evenings there,' she said. 'Friday night is "Silly Fun" night.' And that means that anything goes. 'They play party games and daft music. I really love to let my hair down when I'm there; But sometimes Madeleine doesn't wait to get to the club to start her own brand of silly fun. On several occasions pubs in the town centre have found soda siphons missing, and some of the older, more staid inhabitants have to hide in their houses to avoid an unexpected squirt. 'I've always had this zany sense of humour. If I have an ambition it would be to appear with Kenny Everett,' she claimed. 'He's my hero. If I met someone like him, then I'd get married tomorrow.'

MAYFAIR

Vol.53 No.8

On Sale July 25th

It's all been a bit odd of late – cracking sunny days and quite ludicrous thunder storms have given Paul Raymond Towers a touch of the End of Days feel about it, but we're nothing if not dedicated professionals here, and even if it means getting a) a bit hot and bothered or b) soaking wet, we're always sure to struggle in and spend the day looking at pictures of naked ladies. Ahem, so anyway, you can be sure that next month we've assembled another crack unit of delectable totty, with Chloe Toy looking hotter than ever and newbie Ulysse putting on an epic display.
